Last term the equestrian team experienced many fantastic achievements at the recent Coonabarabran Horse Expo and NSW State Interschools. At Coona, it was excellent to see our team spirit so prominent, whether it be cheering on teammates on cross country or in the hacking. Our team was able to achieve so much success, taking out the Salmonidae Eventing Trophy and Clark and Cunningham Dressage Trophy for yet another consecutive year along with the Six Bar Trophy. However, the whole team performed incredibly well and everyone deserves to be proud of themselves for their efforts. Even though a much smaller team travelled to NSW Interschools at SIEC, great success was still achieved against the particularly competitive field. There were again some awesome results! Again everyone should be very proud of their efforts.

A huge congratulations to our NEGS Equestrian Team for yet another successful term, hopefully our determination and sportsmanship can follow us into next term. Also a huge thank you to our wonderful coaches who have supported and continue to support us to achieve our personal goals.

This term we will see the greatly anticipated School Horse Sports day hopefully attracting riders from far and near.

The Equestrian Centre is gearing up for another busy term with some of Australia's most respected coaches visiting to work with the NEGS students and coaching team. A full list of Clinic and workshop dates and profiles for each specialist coach will be provided next week on the NEGS Web Site and & google plus pages. The junior riders will commence this weekend with Ready Set Trot on Friday afternoon and full classes for Saturday and Sunday Junior Riding Club. The coaches are geared up and ready with lots of fun games and activities to ensure learning is lots of fun.
