# Discover NEGS “Taster Day & Boarding Experience”

We are pleased to offer a “Taster Day & Boarding Experience” for students entering Year 7-12, 2018, to give them a chance to experience life here at NEGS and have a taste of being a NEGS student for a day. The experience comprises a night in boarding (for boarding students only) and a day in school (for both boarding and day students) with the current Year 7-12 cohorts.

Girls will be ‘buddied’ with a like-minded current boarding or day student who will take on the responsibility of looking after our special guest in the boarding house and throughout the school day.
