

**NEGS**

# Discover NEGS “Taster Day & Boarding Experience”

We are pleased to offer a “Taster Day & Boarding Experience” for students entering Kindergarten to Year 12, 2018, to give them a chance to experience life at NEGS and have a taste of being a NEGS student for a day. The experience comprises a night in boarding (for boarding students only) and a day in school (for both boarding and day students) with the current Kindergarten to Year 12 cohorts.

Girls and boys will be ‘buddied’ with a current boarding or day student who will take on the responsibility of looking after our special guest in the boarding house and throughout the school day.

## Taster Day: Friday 12th May - Saturday, 13th May 2017

### What to bring for boarding experience:

Pillow, doona, toiletries, pyjamas, towel, current school sports’ uniform for classes (joggers, shorts, t-shirt), pencil case, note book and water bottle.
