A big thank you to parents and families who worked tirelessly across the five days of competition and in the lead, to assist our team and the girls without complaint in the rain, mud and cold. A special thank you goes to Jackson's Quality Meats, Moxon's Bakery and a few very generous families for their support and donations helping to reduce the cost of meals for families and helping to provide rider meals.

Show Ring Tip: Ensure that you use the correct quarter markers (e.g. sharks teeth, checkers, blocks) to suit your horse's confirmations and highlight your horse's attributes. Smaller patterns look better on smaller horses and larger block style markers look better on larger or hunter type horses. Ask our Show Riding Coaches what would best suit your horse.

The Cutting Academy girls travelled to Tamworth last week for the National Futurity final with Coach Grant Quigley for a successful competition. We would like to congratulate Grant and his fiancé Dru as they head off to the romantic Whitsundays for their wedding this week.

The Polocrosse team has managed to take home some great awards in recent weeks including beating a very strong Wee Waa High team at Coonabarabran to take home the Division 1 A Grade trophy that has been firmly housed at Wee Waa High for over 10 years.

Meagan Nolan travelled to Werribee recently to complete in the prestigious Melbourne International 3 day event. It is a huge effort both qualifying and getting to this event, well done Meagan on your achievements.

This weekend a team of 22 girls are off to Sydney to Compete at the NSW Interschools Championships, Good Luck girls!
