

NEGS ONE DAY EVENT DATE CHANGE

Due to the need for a 3* event date change and the dry conditions impacting the condition of the cross country course the NEGS One Day Event has been moved postponed until **Saturday 22nd & Sunday 23rd November 2014.**

Hi everyone, it certainly has been busy during the holidays and this term in the Equestrian world. Well done to everyone that was out and about competing in all disciplines. There were a lot of girls who competed in the Tamworth one day event as well as Quirindi 3 day event. Also plenty of show jumping events were held both at Gunnedah and Tamworth. A busy start also this term with girls competing at Nana Glen ODE, results were: Meagan Nolan 7th overall and 1st in the Intro junior division, Skye Ramsay 2nd overall and 1st in the junior division of the pre novice, Raquel Frogley 3rd overall and 1st in the junior division of the 1 star, Lucy Ramsay 2nd overall and 1st in the junior division of the prelim, Jane Thompson 5th overall and 2nd in the junior division of the preliminary. Congratulations girls! Plenty of events coming up, keep an eye out for emails that may come your way regarding what's on. This weekend saw clinics from Gina Haddad and Sam Lyle, where I'm sure everyone learnt a lot, we are very lucky to have access to such great instructors visiting NEGS.

A few of the girls have been coming up with some great suggestions for the Equestrian Centre, and one of those was by Lucy Ramsay who suggested considering solar lights for the lane way. Great idea Lucy!! Anyone else who has ideas on improving our Equestrian Centre or what other things you would like to see happen, please let us know,

All ideas and suggestions are good ones! We can all work together to make things happen! Please send your results in so we can continue to follow what everyone is up and to all girls competing this weekend Good Luck and Have Fun!

Hilary Blackman (Equestrian Prefect)

Thank you to all of the students who supported the Gina Haddad and Sam Lyle clinics last weekend. It was great to have Gina back at NEGS giving her all to the girls. Gina has recently completed a Masters in Elite Coaching and has completed her EA NCAS Level 3 Eventing Coaching accreditation. Well Done Gina and thank you for taking some precious time out of your schedule for a visit.

Riders travelled from as far afield as QLD and Moore to take part in the Sam Lyle clinic with Sam putting riders through their paces on the Showing Jumping Arena on Saturday and then out to the Cross Country course for more on Sunday. Thank you Sam we are grateful to have Sam who is almost finish his level 3 coaching and also has a Masters of Elite Coaching like Gina Sam is very passionate about effective coaching.

Both instructors were impressed with the level of riding and the quality of the horses in each session.

Vaulting training has started. Wednesday after school at cossie (barrel training) and Sunday afternoons at Equestrian Centre (horse and barrel). Please contact Norah Wells for session times. Beginners, little kids with parents helping are welcome and vaulters already please come to help and practice. This is a wonderful inclusive horse sport and you don't need your own horse to take part.
