Mrs Mary Anne Evans

From the Principal

As we celebrate the final services of the School year - NEGS Junior School Celebration of Learning; Carols and NEGS Senior School Speech Day - what resonates is the strong sense of the NEGS Community.

We all know the benefits of building this sense of community - it is the glue that binds people together and strengthens their resolve and purpose. Students are more likely to be academically motivated; more socially involved in school events and as a result, develop social and emotional intelligence that makes them more able to withstand the intense pressures on our young people in 2018 and beyond. These benefits are long lasting and will guide our students well into their lives after school. This is the purpose of education and educators - to look beyond the school gates.

At this time of year, it is always good practice to take stock of things that were; the things that could be; what we did well; what we can do better. It is a time to be grateful for all that we have. To be grateful for all members of the diverse NEGS Community. To be grateful for our precious memories as these form us all.

Imperative in this reflection is also forward thinking - what is coming - and I am proud to announce a new initiative from the NEGS Wellbeing Team. Initiated by our Year 12 2019 Leaders collectively - who believe wholeheartedly that to lead is to serve and who are making a tangible difference to the School - NEGS will benefit from a mentoring program called "Girls Supporting Girls" whereby Year 12 will take a hands-on-mentoring role with Years 7&8 in 2019. NEGS is committed to the emotional, social and physical wellbeing of the whole school community and we

firmly believe peer to peer support plays an integral role in promoting the wellbeing of all students through action. Girls Supporting Girls is aligned with the school leadership program, providing opportunity for Year 12 to further embrace and develop their leadership skills whilst providing a positive and supportive environment for junior students as they begin to navigate high school.

Girls Supporting Girls is a Year 12 (2019) initiative, future Year 12 cohorts will be encouraged to develop and grow the program to its full potential.

With our future firmly aligned with our sporting alliances, I would like to reassure the NEGS Community that this is not facilitated at the expense of our academic pursuit of achievement for each and every student. Our goal to support each students' academic potential is the forefront of all that we do. Behind this is the story of each student. Where we are so very pleased for each girl who grows to be a young woman who has the capacity to think deeply about each subject she has studied so that she is curious, passionate, articulate, resilient and thoughtful. We are so impressed with our young women of NEGS and what they have become in addition to what external results demonstrate.

As all reports are dispersed; awards received and accepted; Christmas and holiday wishes extended, the school year is over and a well earned rest and recuperation time is on its way. As we raise our gaze to the year ahead we keep in sight the NEGS values of excellence; integrity and responsibility and in living our values we are safe in the knowledge that the NEGS spirit will continue to grow; to inspire and untrue as all as a community.

“Congratulations and thank you to all for a successful year at NEGS.”

Boarding NEWS

From the Deputy Director of Boarding

Let the pics speak for themselves.

From all the NEGS boarding staff we wish you all a very happy and prosperous holiday season, travel safely and we look forward to seeing all the girls happy and excited as they rejoin their friends in boarding for 2019.

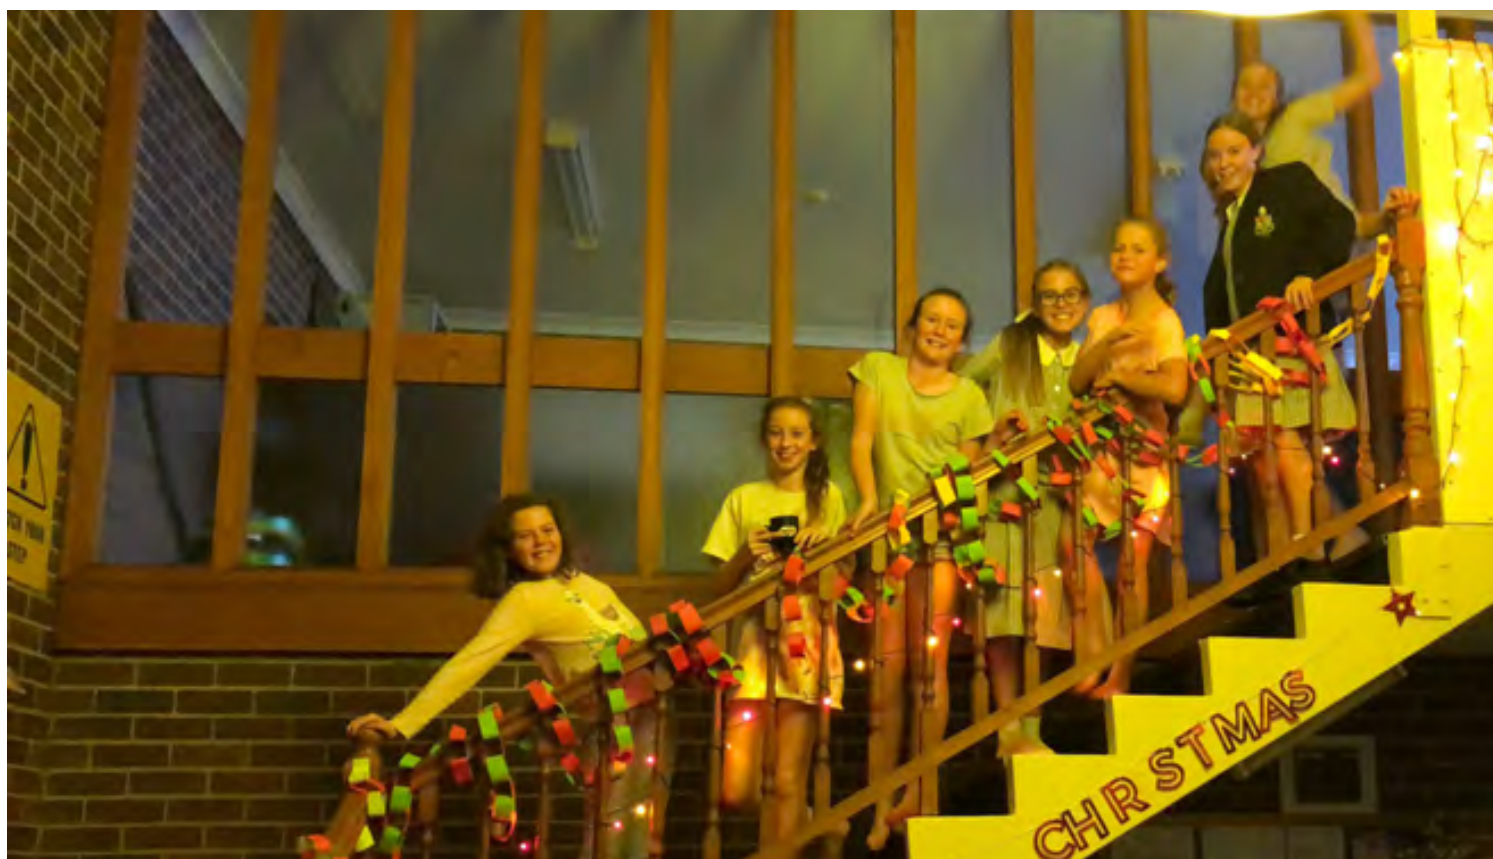

Xmas in Boarding

Mrs Donna Garrad

Christmas in White House

Meet Our

Duty Mistress from White House - Nicole Packer

I started working as a duty mistress and weekend house mother here at NEGS at the beginning of term two this year, but I had previously worked in boarding for a year before that. I really love house mother work because it's not only about keeping the girls safe and making sure that the boarding house runs smoothly, but also being able to get to know the girls. Being able to become a small part of their lives while they are here in Armidale is incredibly rewarding for me and, that combined with the amazing staff I get to work alongside, I really enjoy coming to my shifts!!

Besides which, coming to work is a nice break from all the studying I am doing otherwise – I just finished my second year of medical school! It's a lot of hard work but I absolutely love what I am studying and can't wait to become a fully qualified doctor in three years time!

When I am not working or studying, I enjoy being outside. Having spent seven years living in Tasmania where stunning bush walks reign supreme, I now love exploring around Armidale for tracks, swimming holes and waterfalls. I only moved to Armidale two years ago for study, so there is still a lot of ground for me to cover in that department! I also love horse riding (although I'm not that good at it), playing tennis and working out at the gym.

I look forward to meeting you around the boarding house!

Boarders NEWS

Boarders' Weekend Away

Students have returned tired but very happy after the Boarders weekend away to the Gold Coast. What a great weekend!

Year 10 NEWS

NEGS

Year 10 Service week

Week 7 has seen Year 10 complete the NEGS tradition of Service Week.

It has been a busy week with the girls completing different tasks over the five days that not only gave back to NEGS but to the wider Armidale community.

Students participated in a first aid course, charity collection for 'Share the Dignity', construction of tissue holders for various organisations around town, car wash, the 'Love Bites' program and service groups which completed tasks around the school. We have also had a group of Year 10 students busily writing and reporting for the 2018 Chronicle.

Our school has been painted, de-weeded, decluttered by these industrious students and all those who have benefitted from the experience are deeply appreciative.

Well done Year 10, and good luck for your work experience next week!

NEGS TWILIGHT MUSIC NIGHT

What a night! Congratulations to all involved in the Twilight Music and Dance Evening. It was a wonderful night showcasing the incredible musical and dance talents of the NEGS students. The students from NEGS Dance made their debut, and what a show it was!

Thank you to everyone who came along and special "thanks" to the dedicated NEGS staff who had put so much time and hard work into guiding the students to help them shine.

TEACHER RIDE A HORSE DAY

The students at NEGS aren't the only ones who can ride well. Teachers got to show off their riding abilities at this year's annual "Teacher Ride A Horse Day". In a hilarious hour of entertainment, including a couple of well executed gentle spills, students led, encouraged and cheered on the teachers and staff who rode. It was a great giggle to finish off the day. Congratulations to the winners of each section, Mr Cohen, Miss Cambridge and Mrs Swartz. Of course, it wouldn't be a true challenge without taking on the Head of Equestrian, Mr Imtiaz Anees at the end of the races. Well done to Mrs Swartz for taking him on.

NEGS SPORT DINNER

NEGS Celebration of Sport Dinner was held in the NEGS MPC recently and it was a wonderful evening of achievements and recognition. Congratulations to Sarah Wyatt who was named "Sportswoman of the Year".

Her incredible dedication to, and achievements in, sport are to be commended. Well done to everyone who received awards, but also to all of our students who "Play Like a NEGS Girl" every week for NEGS. "Thank You" to our special guest speaker, Australian Hockeyroo, Kate Hanna.

RUGBY TRIALS

Thank you to everyone who participated in the NEGS Rugby program trials at Sport UNE. It was a fabulous day which exhibited incredible talent, ability and true grit and determination. Thank you also to Garry Walsh and Tony Mills from NSW Rugby, as well as Matt Pine, Dr Adrian Grey and Tom Bower from Sports UNE Lions. Their guidance and knowledge were invaluable and greatly appreciated.

SLALOM AND WILDWATER EVENT

Congratulations to NEGS kayak sensation, Miranda Pulkkinen, who recently competed at the Northern Zone Slalom and Wildwater event last weekend with some fantastic results. She won:

- 1st (14 and under) wildwater
 - 1st (14 and under) wildwater sprints
 - 1st (14 and under) and 1st overall women's C1 slalom
 - 1st (14 and under) K1 slalom
- Well done Miranda!

YEAR 6 CARWASH FUNDRAISER

There were many shiny and clean cars getting around Armidale thanks to the Year 6 Carwash Fundraiser. The girls had a ball and ended up very wet but happy as it was a successful morning for them all. Thank you to everyone who came along and had their cars cleaned and were able to enjoy a cup of coffee and piece of cake from NEGSpresso Cafe.

Thank you to Years 10 and 11 who also helped out making coffees on the day.

YEAR 6 KMART WISHING TREE APPEAL

NEGS Junior School was spreading some Christmas cheer when Year 6 girls visited Kmart to deliver Christmas presents that the Junior School families had donated for the Kmart Wishing Tree Appeal. Our students love to help out in the community and enjoyed supporting this wonderful community appeal. We hope that the children who receive these gifts have a much brighter Christmas. Thank you to Years 10 and 11 who also helped out making coffees on the day.

TRIATHLON HELD AT TAS

Well done to Sophia Croft, Louisa Duarte and Rose McBride who represented NEGS in the Hutchison & Harlow Schools' Team Challenge Triathlon held at TAS.

EQUESTRIAN NEWS

A huge "congratulations" to NEGS Armidale students Abby Finlayson, Hayley Constable and Paige Fielder who have been selected to play in the Junior NSW Polocrosse team in New Zealand in January 2019. Well done girls!

CHINESE DAY @ NEGS

Junior School students were immersed in everything Chinese today as part of the NEGS Mandarin program. Mandarin teacher, Ms Joanne Liu, organised a wonderful day of Chinese fun with the amazing help of Years 7 and 8 who ran all of the sessions. Students learned how to make dumplings and dined on freshly cooked fried rice and dumplings. We had a number of guest presenters, including Kung fu instructor, Anthony Kelly, who taught the students some great Kung fu techniques, Isabel Tasker (Senior Lecturer Mandarin, UNE) and Hamish Brown (Traditional Chinese Medicine Practitioner and Water Style Kung fu Artist) and his assistant Zack. Students also participated in many Chinese games, art and craft, as well as song and dance.

Thank you to Ms Liu for co-ordinating such a lovely day for the students.

What's News in Careers

Mrs Helen Doyle

CAREER NEWS

The careers office continues to be very busy at this time of the year. Our Year 12 leavers are receiving early entry offers and waiting rather impatiently for the results and ATAR's to be released in mid-December. I am away at a local careers network this week to learn some more about the early entry and offer procedures, and how it will impact our leavers.

As the results come out, I hope that all girls receive the marks that they have worked hard to achieve. Remember if you don't get the mark you need there are plenty of alternative pathways into the course that you want to do. Last Saturday a friend of ours graduated as a Doctor but he did not do this straight after school as he did not get the ATAR he needed. He completed 4 years at the University of Newcastle graduating as a physiotherapist and then applied to University of Wollongong to study medicine. He has achieved his dreams but just did it by undertaking an alternate pathway.

Currently Year 10 are out and about up and down the Eastern seaboard undertaking work experience in some very varied occupations. Whilst undertaking work experience the girls complete a journal and their supervisor completes an evaluation. Both of these are returned to me to be added to the girls' files.

The Careers Portal is still very active at this time of year, with information coming across my desk regularly. Lately I have posted some interesting articles that have been in the media. I encourage you to read them.

Next week I will be attending a conference in Canberra on the future of work beyond Year 12. I look forward to reporting back to you on what I learn.

I wish everyone a very happy and holy Christmas and I look forward to catching up in the New Year. For those leaving NEGS, I wish you all the very, very best. Keep looking at the Careers Portal!

Travel Diaries

DEAR NSW BOARDING FAMILIES

As we head towards the end of Term 4, may I remind you to send me your travel diaries for your subsidised travel by the end of the term? These diaries are available here: <http://www.negs.nsw.edu.au/parents/senior-school/forms/> (under Boarders' Information). Remember that a trip can only be recorded when your child is in the car with you. If you have no idea what I am talking about, please read this information:

School Drive Subsidy (replacing Private Vehicle Conveyancing Subsidy)

The School Drive Subsidy is available to NSW residents in areas where there is no public transport, to drive an eligible student all or part of the way to school. The subsidy is only intended to partly offset the cost of using a private vehicle to drive the eligible student and is not intended to cover all costs. Transport for NSW administers the School Drive Subsidy scheme. The subsidy is for driving school students to school or to the nearest transport pick up point, by car, motorcycle or boat.

For more information and the application process please visit <https://apps.transport.nsw.gov.au/ssts/schoolDriveSubsidy>

At NEGS I require a travel diary to be completed at the end of each Semester, i.e. end Term 2 and end Term 4, and returned to me. These diaries are available here: <http://www.negs.nsw.edu.au/parents/senior-school/forms/> (under Boarders' Information). If you have any queries, please contact me at helen.smith@negs.nsw.edu.au or by phone (02) 6774 8700

Mrs Helen Smith

Junior School

Head of Junior School

Reading your child's school report. Reports can mean anxious times for children. Will my parents be disappointed or proud? This is the main concern for most children.

Student reports also bring mixed feelings for parents. Pleasure and pride if they are performing well but considerable angst when children are not progressing as they had hoped. Children of all ages take their cues from their parents, so your reaction to their school report can affect the way they see themselves as learners and as people.

Here are some ideas to consider when you open your child's report:

- **Focus on strengths.** Do you look for strengths or weaknesses first? The challenge is to focus on strengths even if they are not in the traditional 3Rs or core subjects.
- **Take into account your child's effort and attitude to learning.** If the report indicates that effort is below standard, then you have something to work on. If the child is putting in the required effort, then you cannot ask any more than that, regardless of the grading.
- **Broaden your focus away** to form a picture of your child's progress as a member of a social setting. How the child gets along with their peers will influence their happiness and wellbeing, as well as give an indicator to their future. The skills of independence and co-operation are highly valued by employers, so don't dismiss these as unimportant.
- **Take note of student self- assessment.** Children are generally very honest and will give a realistic assessment of their progress. They are usually very perceptive so take note of their opinions.
- **Discuss the report with your child,** talking about strengths first before looking at areas that need improvement. Ask their opinion about how they performed and discuss what might concern them.
- **After reports are read and discussed,** celebrate their efforts with a special activity or treat. In this way you will recognise progress and also remind them that the holidays are just around the corner, where they can forget about assessments, tests and reports for a while.

Mr Andrew Travers

The Semester Two reports will be handed out at the Celebration of Learning, I hope the above helps you enjoy reading about your child's progress over the second part of this year and sharing the experience with them. Keep them reading during the holidays, books can offer the best escape for free! Happy Holidays everyone.

Wellbeing @ NEGS

RESPECT - Give it - Get it !

In line with our wellbeing program this term our focus has been about respect.

For your information and to help continue the conversation at home, I have attached the link to The Conversation Guide - this is aimed at adults to help start the conversation about respect with young people. Staff were made aware of this resource to assist with conversations surrounding respect with the students and their own families.

The Conversation Guide

<https://www.respect.gov.au/resources/talking-about-respect/>

Particularly useful sections include:

- Gender equality
- Talking to your daughter
- Questions and opening lines.

This is one of the many resources linked to the current Australian Government campaign aiming to decrease violence against women, the acceptance of disrespect and to make change one small step at a time as a community. The link to the campaign and resources is - [respect.gov.au](https://www.respect.gov.au) You may have seen some of the television commercials recently as part of the campaign.

As the school draws to a close for a much needed break after another fantastic year, I would like to take this opportunity to wish all of our families a happy and healthy holiday and a very Merry Christmas.

Embroidery

An exciting workshop for people who love to hand stitch and embroider. Bring landscapes to life using fabric and threads. Learn about layering and surface stitching

Duration: 2 days Wednesday 16th, Thursday 17th

Cost: \$210.00

Tutor: Judy Wilford

Judy Wilford is a multi-talented artist who over the years has worked her way through painting designing printmaking weaving ceramics and needlework. Judy discovered fabric and thread in the early 80s. With some help from correspondence courses she taught herself the ins and outs of needlework.

The concepts and designs in Judy's textile work draws on her experiences with dying printing and painting. She employs many traditional embroidery techniques such as layering shadow work appliqué, trapunto, quilting and distortion. Her stitching binds together various fabrics and threads such as silk cotton linen wool and suede. She also uses beads shells and metal. Each piece has its individual definition dimension and dew.

Judy's work reflects the delight and inspiration she derives from the landscape around her.
