Year 11 (2020)- Subject Selection.

For Year 11 you are required to choose a pattern of study made up of:

- At least 12 Units
- At least 2 Units of English
- At least three courses of 2 Units or greater
- No more than 6 Units of Science
- To select a science course a student must also select a mathematics course

Subjects are presented on lines for the 2020 timetable.

You can only choose one subject per line, except if one of the subjects is an off-line course. Off-line courses are run before or after school.

For Year 11 there will be some Period 0, or offline lessons.

Place a tick in the selection column against your subject choices.
